*A non-profit Organization, "Philoptochos" means "the friend of the poor". The Ladies Philoptochos provides assistance to the "needy" within and outside the Greek Christian Orthodox community, by special fundraisers. The National Philoptochos projects include helping victims of heart disease, cancer, Aids, drug abuse, as well as assistance to the elderly, orphans, social services, national disasters and more.

Our local chapter has been involved not only in these worthy causes, but also busy providing vital services to our church and community. Also supports our local organizations such as: Harvest Hope Food Bank, Mercy Medicine Clinic of Florence, Light house ministries, Men's mission, House of Hope, Empty Stocking, Emergency Disaster Fund, Children's Cardiac Fund, Cancer Fund, Make a Wish Foundation, Easter Seale, Battered Women, Social Services & The Naomi Project.
